THE FAIR.

We learn from all quarters of the country that ever, body and "his wife" expects to be at our Fair. The amount of fine stock from Nicholas, Bombon, Fayette, Clark, Scott, Woodford and Jessamine counties, will be immense .--Ample accommodations are already prepared to entertain any amount of people, and chickens are very plenty .-"Menter's Silver Band" will be in attendance, and at night, while the "old folks" are wrapped in the arms of Morpheus, the "young folks" will dance the hours away. Our Fair commences on Tuesday, the 16th of September, and centinues four days.

"Pa. R. R. Officz, Philadelphia, Dec. 13, 1853.

"Shr: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pilis. I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned S. S. STEVENS, M. D., of Wentworth,

The widely renowned S. S. ETEVENS, M. D., of wentwern, N. H., writes,—
"likeving used your Cathartic Pills in my practice, I certify from experience, that they are an invaluable jurgative. In cases of disordered functions of the liver, causing headache, indigention, coelivenese, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a jurgative remedy is required, I confidently recommend these fills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have ter many years known your Cherry Pectoral as the best Cough resection in the world, and these fills are in no wise inferior to triat admirable preparation for the treatment of diseases." that solmirable propuration for the treatment of diseases.

"Acton, Me., Nov. 25, 1853.

"Dr. J. C. Ater. Dear Sir: I have been afflicted from my birth with scrotnla in its worst form, and now, after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what fedlings of rejoicing I write, can only be imagined when you realize what I have suffered, wet how love. " Never until now have I been free from this lost isome disease

in some shape. At times it attacked my eyes, and made me al most blind, besides the nnendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me kept it for months a raw sore.

"About nine weeks ago I commenced taking your Cathartle
Pflis, and now am entirely free from the complaint. My eyes are
welt, my skin is fair, and my hair has commenced a healthy
growth; all of which makes me feel already a new person.

"Hoping this estatement may be the means of course.

CAPT. JOEL PRATT, of the ship Marion, writes from Boston,

20th April, 1854, —

"Your Pills have enred me from a billiona attack which arose

from derangement of the Liver, which had become very serions. I had failed of any relief by my Physician, and from every remedy I could try. but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cured him. You make the best medicine in the world, and I am free to say so."

Road this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

"Senate Chamber, Ohio, April 5th, 1884.

"Da. J. C. ATEL. Honored Sir: I have made a thorough trial of the Catharne Pills left me by your agent, and have been cured by them of the dreadful Rheumanism under which he found me suffering. The first dose relieved me, and a few autacquent doses have entirely removed the disease. I feel in better health mow than for some years before, which I attribute entirely to the effects of your Catharne Pills.

Yours with great respect. Youra with great respect, LUCIUS B. METCALF."
